

Grandmother's Spiritual Writings

Nurturing Peace is the free universal expression of INSPIRING JOYFUL HARMONY. Nurturing Peace nourishes our lives.

Divine Love highlights JOYFUL NURTURING, the universally free healing of Nurturing Peace. Divine Love heals as we express Nurturing Peace.

Divine Principle highlights SPIRITUAL CONCEPTS, the foundation of reality. Nurturing Peace is the cornerstone. Divine Principle's Nurturing Intelligence is always helping us increase our Spiritual education.

Spiritual Ideas are expressions of Nurturing Peace. Spiritual Ideas form the complete structure of reality, constituting all the creative Spiritual possibilities founded on Spiritual Concepts. Nurturing Peace's Spiritual Ideas provides us with the whole Universe of creative Spiritual possibilities.

Our Joyful Nurturing Source is the constitution of the infinite expressions of Nurturing Peace.

Our Purpose is to express our Joyful Nurturing Source's universally free Nurturing Peace. This provides us with the Spiritual clarity to find our unique creative expression of our Source's Spiritual Ideas. As we uniquely express Spiritual Ideas, we contribute Spiritual inspiration for everyone, everywhere.

Spiritual Consciousness is our inherent Spiritual thinking, uniquely exploring the Universe of Spiritual Ideas.

Perceptions – The perceptions of any given perceived image appears to be “real” as it is processed in any given perception world.

Perception worlds - As we “wake up” from one perception world to another it is apparent that the perceived images of any given previous perception world are void of substance. The subatomic particles of all perception worlds are limited to having the potential of being perceived images that are void of substance. Scientific thinking comprehends the fact that the perceived images of all perception worlds are void of substance.

Identity – The term “identity” is useful in describing who we are. The words “body”, “woman” or “man” are often mistaken because they are commonly associated in any given perception world with perceived perception bodies that are void of substance. We work Spiritually to separate our identity from all perception delusions. Our identity is solely our unique Spiritual Consciousness. We are 100% Spiritual.

Delusions – Any given false premise that we have been fooled to believe in has the delusion of being real. Nurturing Peace corrects any given delusion by Scientifically Comprehending that the false premise's delusion is void of substance.

Reality consists solely of our Joyful Nurturing Source's Spiritual Ideas. Human reason is oblivious of the Spiritual fact about creation. Our Scientific Comprehension of the Spiritual fact about creation flows solely thru our inherent Spiritual Consciousness. We Scientifically Comprehend that only our Joyful Nurturing Source's Spiritual Ideas have reality.

Substance – Only our Joyful Nurturing Source's Spiritual Ideas have substance. Our substance is solely our inherent Spiritual Consciousness, uniquely expressing the Spiritual Ideas of our Joyful Nurturing Source.

Divine Truth highlights SPIRITUAL IDEAS, the sole substance in our Joyful Nurturing Source's Universe. Divine Truth provides us with the Scientific Comprehension that only our Joyful Nurturing Source's Spiritual Ideas have reality.

Divine Spirit highlights DIVINE PRESENCE, constantly providing us with Joyful Nurturing Care.

Divine Mind highlights DIVINE CONSCIOUSNESS, the universe of Spiritual Ideas. Divine Mind's complete Scientific Comprehension is always helping us creatively explore Spiritual Ideas.

Divine Soul highlights our inherent SPIRITUAL CONSCIOUSNESS, uniquely expressing the Spiritual Ideas of our Joyful Nurturing Source.

Divine Life highlights our SPIRITUAL CONSCIOUSNESS'S EDUCATION, creatively exploring Spiritual Ideas. Our Joyful Nurturing Source's Spiritual Ideas are creating our Divine Life, inspiring us with our Source's complete wisdom, nurturing us with our Source's Joyful Presence.

Thinking Mode is the Nurturing Peaceful state of mind that focuses educational clarity on any activity. Nurturing Peace clears the fog of mental chatter, providing a clear focus that accelerates all learning.

Thinking Mode for Healers includes fasting occasionally on water. Deleting drugs like heroin, alcohol, LSD, ayahuasca, marijuana, nicotine, caffeine, sugar or salt. Only using the reproductive system for having children. Joyfully expressing the universally free healing of Nurturing Peace to everyone, everywhere. Being content that only one in ten of those we have helped may return to say thank you. This Joyful Spiritual moral foundation helps provide a clear focus for Joyful Nurturing Healing. Begin with expressing Nurturing Peace then start climbing.

Clarity is the door,
Joyful Nurturing is the way,
Spirituality is the summit.

Joyful Nurturing Healing expresses the universally free healing of Nurturing Peace to everyone, everywhere. Nurturing Peace provides us with the Spiritual clarity to Scientifically Comprehend that only our Joyful Nurturing Source's Spiritual Ideas have reality. We are solely our inherent Spiritual Consciousness. We are 100% Spiritual. The subatomic particles of all perception worlds are limited to having the potential of being perceived images that are void of substance. Belief in any given perceived image delusion can only last while we are fooled by the delusion. Joyful Nurturing Healing corrects any given delusional belief by Scientifically Comprehending that the belief's delusion is void of substance. Joyful Nurturing Healing freely nurtures everyone, everywhere.

Prayer/meditation provides us with the Nurturing Peace to observe whether our thoughts are Spiritual or mundane. Nurturing Peace observes the fallacies of mundane thoughts, thus peacefully corrects them. Prayer/meditation is effective to the degree that our consciousness is Spiritually Clear.

We Grow Spiritually as we express the Nurturing Peace of our Joyful Nurturing Source. Expressing Nurturing Peace is our Divine Life's purpose.

Home - The Spiritual fact is that our home is our inherent Spiritual Consciousness. Our "At home" is our individualized Spiritual thinking. Our "Abroad" is the universal realm of Spiritual thinking. Our Divine Life is exploring the universal realm of creative Spiritual thinking.

Provision - Our Joyful Nurturing Source is always providing our Spiritual Consciousness with creative resources. We are constantly in our Source's Joyful Nurturing Care.

Ability – We inherently have the ability to creatively express our Joyful Nurturing Source’s Spiritual Ideas.

Time – We Scientifically Comprehend that time is only a perception delusion. In our Source’s creation, there is always present a perfect sense of order, which ensures us ample opportunity to express the Spiritual Ideas of our Joyful Nurturing Source.

Education – One of us will get what they need out of a certain statement, another may get something quite different, for our Joyful Nurturing Source scientifically comprehends the complete structure of Spiritual Ideas, presenting lessons to meet the individual needs of each of us. Creatively exploring our Joyful Nurturing Source’s Spiritual Ideas is our continuous education.

Inspiration – We, as Spiritual Idea, live at the point of inspiration.

Creation is the unfolding of Spiritual Ideas.

Universe - Our Joyful Nurturing Source’s Spiritual Ideas constitute all creation, filling the universe with Divine Mind’s symphony of Spiritual Ideas.

Universe-wide family – We all belong to our Joyful Nurturing Source's Universe-wide family, we are all related. Our Source nurtures every expression of Divine Life in our Universe-wide family. All of us uniquely express our Source's Spiritual Ideas. With our rich variety of all Divine Life's expressions, we are one complete Universe-wide family.

Every expression of Divine Life is in the Spiritual network of our Joyful Nurturing Source's Universal Principle of Spiritual Unity. Freely helping our complete Universe-wide family Spiritually with Joyful Nurturing Healing exercises our Source-given ability to demonstrate the Universal Principle of Spiritual Unity.

Human economic systems failure to provide for all their people is illustrated in lack so prevalent in human societies. A large portion of the human race is on the verge of starvation all the time; another portion does not even earn a living wage. These conditions are corrected by raising the whole educational level to Scientifically Comprehend the Universal Principle of Spiritual Unity in our Joyful Nurturing Source's Universe-wide family.

As our Spiritual education grows, we find a joyful sense of Unity with everyone, everywhere in our Universe-wide family.

Success is found in expressions of universal Nurturing Joy, contributing Spiritual inspiration for everyone, everywhere in our Universe-wide family.

Nurturing Peace is an inherent quality of our Joyful Nurturing Source. As Healers, our Spiritual Consciousness inherently expresses the universally free healing of Nurturing Peace. Nurturing Peace appreciates every expression of Divine Life in our Universe-wide family.
